Test 3

Registration Page:

The registration page features a header with a logo and navigation links: About Us, Contact Us, Reservations, Reservation/Waitlist Lookup, and Login/Register. The main title is "Create Your Account" with the sub-instruction "Create an account to start making reservations." On the left, there's a form titled "Register for an Account" with fields for First Name, Last Name, Email Address, Phone Number, Password, and Confirm Password. A checkbox for agreeing to Terms & Conditions is present, along with a "Create Account" button. On the right, a box titled "Already have an account?" contains a "Login to your account" link. Below it, a box titled "Account Benefits" lists three advantages: making reservations online quickly, viewing reservation history, and joining a waitlist for notifications.

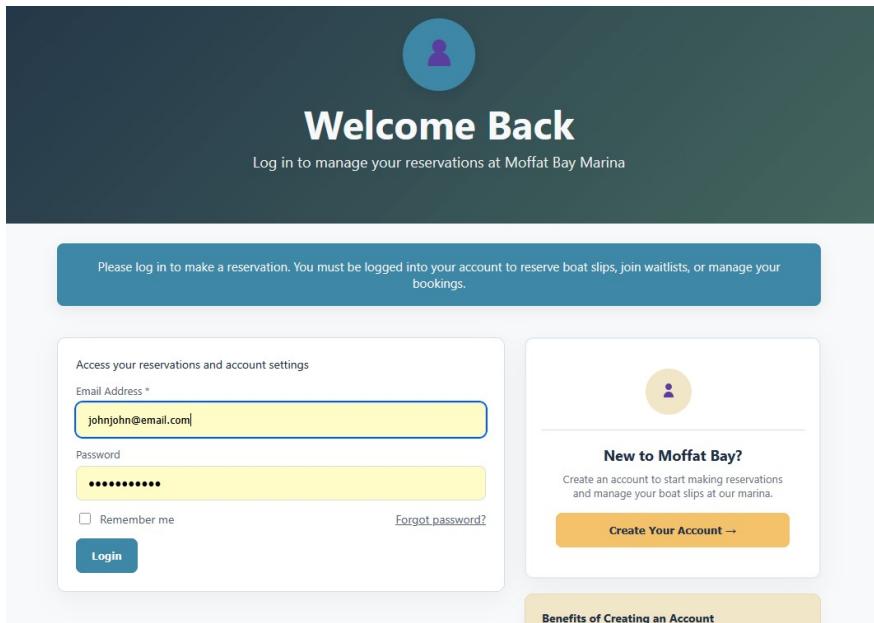

Back to Landing Page:

The landing page has a header with a logo and navigation links: About Us, Contact Us, Reservations, Reservation/Waitlist Lookup, and Login/Register. The main visual is a scenic view of a bay with mountains in the background. The text "Welcome to Moffat Bay" is prominently displayed, followed by "Your Pacific Northwest Island Retreat Awaits". Below this are two buttons: "Reserve Your Slip" and "Check Reservation". At the bottom, there are four service icons: Boat Slips (26ft, 40ft & 50ft slips available), Restaurant (Waterfront dining experience), Fuel Dock (Convenient refueling services), and Easy Booking (Monthly reservations online).

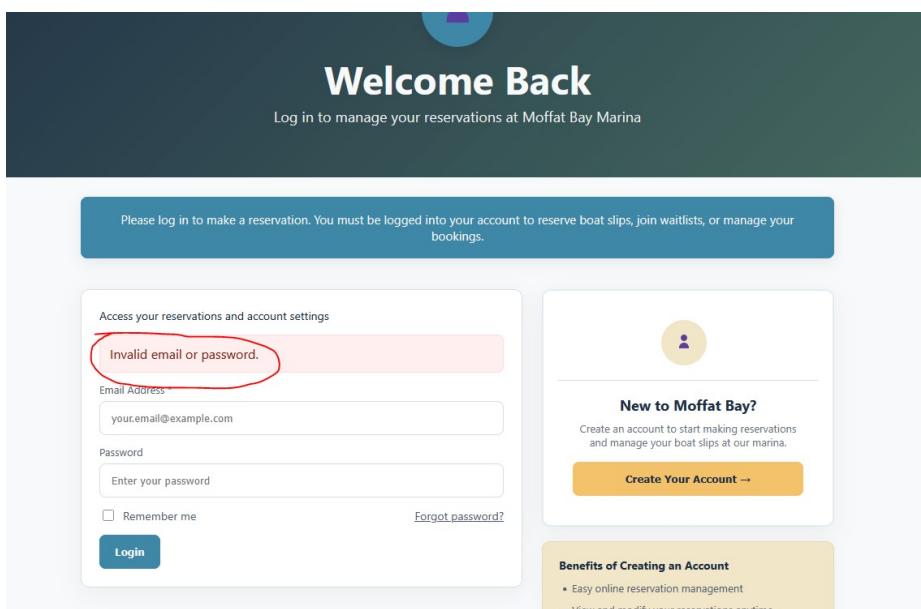

Test 4

Field Entry:

The screenshot shows a login page with a dark header featuring a user icon and the text "Welcome Back". Below the header is a sub-header "Log in to manage your reservations at Moffat Bay Marina". A blue banner at the top of the main content area says "Please log in to make a reservation. You must be logged into your account to reserve boat slips, join waitlists, or manage your bookings." The left side of the page contains a login form with fields for "Email Address *" (containing "johnjohn@email.com") and "Password" (containing "*****"). There are also "Remember me" and "Forgot password?" links, and a "Login" button. The right side features a "New to Moffat Bay?" section with a "Create Your Account →" button and a "Benefits of Creating an Account" box.

Step 2: Error Message:

The screenshot shows the same login page as above, but with an error message. The "Email Address" field now contains "your.email@example.com" and has a red border, indicating it is invalid. The rest of the page, including the "Password" field, "Remember me" link, "Forgot password?" link, and the "New to Moffat Bay?" section, remains the same.

Account Login Success:

The screenshot shows the account login success page for Moffat Bay Marina. At the top, there is a navigation bar with links: About Us, Contact Us, Reservations, Reservation/Waitlist Lookup, My Account, and Log out. The 'Log out' button is circled in red. Below the navigation bar, there is a large blue circular icon with a person silhouette. The text 'Welcome Back' is displayed prominently, followed by the subtext 'Log in to manage your reservations at Moffat Bay Marina'. A teal-colored callout box contains the message: 'Please log in to make a reservation. You must be logged into your account to reserve boat slips, join waitlists, or manage your bookings.' On the left side, there is a form titled 'Access your reservations and account settings'. It includes a green success message box stating 'You are now logged in.' (also circled in red). Below this are fields for 'Email Address' (containing 'your.email@example.com') and 'Password' (with placeholder text 'Enter your password'). There are also 'Remember me' and 'Forgot password?' links. A 'Login' button is located at the bottom of this section. On the right side, there is a 'New to Moffat Bay?' section featuring a yellow profile icon, a 'Create Your Account →' button, and a 'Benefits of Creating an Account' section.
